Stewardship Thought:

Philippians 4:4-18: In the closing verse of our Epistle reading Paul declared that "he can do everything through Him (Jesus) who give him the strength." What a beautiful understanding of what we can do as God's stewards when we use all that God has entrusted to us to give witness to the hope we have in Jesus and to bring honor and glory to the God we love and serve.

Adults, with or without children in our Sunday School program, are encouraged to join us as we dig deeper into these Scripture lessons and discover what wonderful truths God has for us in these two Old Testament books. Class will be held in the Fellowship Hall at 9:30 am and led by a variety of teachers such as Gil and Judi Schepmann, Polly Whitaker, Susan Heitner and others.

DINE FOR DONATIONS (DATE CHANGE)

Two weeks ago we announced that our next "Dine for Donations" would be at Culver's on Tylersville Road on October 12th but that has been changed to Tuesday, October 11th. Please note this change and join us at Culver's on the 11th between the hours of 10AM to 10PM. We received a check for \$132.00 from Chick-fil-A this week. ECEM MUSIC ENRICHMENT

Music Enrichment meets on Mondays from 11:30 to 12:20 in groups of 9 weeks each. The children can be in the program all year or they can join us during any of the three sessions and jump right in. The first nine weeks we put a lot of focus on steady beat. We do this through a variety of activities and experiences. We listen to many different types of music from classical to contemporary Christian and many others in between. We do a lot of hands on activities; such as, playing games, moving, dancing, playing different types of percussion instruments, using scarves and bean bags, just to name a few. We use drama and movement to reinforce concepts and help with large motor skills and have a lot of fun too. The class will begin basic note reading during this session but we will continue to bring that back with each of the remaining sessions and build upon it as we go. We are grateful to have the space in the gym to be able to move and do the activities that we do. Amy Mitchell is the instructor for this program and also teaches music to the Kindergarten class in the afternoons on Mondays. Amy has been with King of Kings for 7 years. She started out as a teacher's aide and now only does the Kindergarten Music and Music Enrichment classes. Amy teaches piano in her home as well.

A MESSAGE FROM THE PRESCHOOL CLASS

Hello from Mrs. Wolery's preschool class! This week our theme was on Fire Safety. On Monday, we had the Smoke House from Mason Fire Department come to our school. The firemen taught the children 2 different ways to escape from a burning house. The Mason firemen did a great job with easing the fears of some of the children. In chapel our lesson was on sin. Adam and Eve found out what happened when they broke the one rule that God gave them. Have a great week!

KINGS LOCAL FOOD BANK PROJECT

The ABLAZE Team has developed a plan to reach out to those in our community who need help. A list of suggested food & non-perishable food items is available at the Welcome Center. Offering envelopes are also available at the Welcome Center.

Also, we will be going out into the community to gather food, non-perishable food items, and monetary donations in October at two Kroger locations. On Saturday, October 15th we will be at the Mason Kroger at 5010 S. State Route 741 from 10 AM to 4 PM. On Saturday, October 29th we will be at the Rivers Bend Kroger at 5705 S. State Route 48 in South Lebanon from 10 AM to 4 PM. Please put these dates on your calendar. Volunteers are needed for both dates. Thank you to those who have already signed up. We need helpers to receive donations at the store entrances, helpers to move the donated items to a staging area, and help in hauling and unloading the items collected at the food bank. Please plan on helping and connecting with our community. Call or e-mail Dick Kothrade at 398-4867 or rckothr@aol.com.

Titus 2:7

“God gives us a model for affecting the lives of others. It follows the order of creation and is gender - specific. You can find that model in Titus 2:1-8. A young pastor named Titus and his congregation used this model to affect the lives of others—one man, one woman, one child, one family, one neighbor, one community at a time. They mentored generations of hope.”

DEEP CHANGE RETREAT-PRINCE OF PEACE — OCTOBER 21 ST & 22ND

There will be a Two (2) Day retreat being held at Prince of Peace Lutheran Church in Over-the-Rhine on Friday, Oct. 21st and Saturday, Oct. 22nd. Breakfast and lunch will be provided on Saturday. This retreat will be given by Steven Arnold, who leads Pivot point Ministries in Minnesota (www.pivotpointministries.org) Steve has been giving this deep change retreat in the twin cities area for some time and has graciously agreed to come to Cincinnati and lead this 2-day retreat here. Steve has a spiritual connection with Prince of Peace, as he attended inner city ministry training here many years ago as a young man. I ran into Steve at the LEA event here in Cincinnati earlier this year in March, and he asked about Prince of Peace and wanted to know what he could do to help. After much discussion, Steve is flying from Minneapolis to Cincinnati to lead this 2 day retreat on Oct. 21st and Oct. 22nd.

Here's a summary of what the retreat will be about in his own words:

"This retreat will focus upon the transformative journey in the life of the Christian. How do I know who I am? How do I know where God is calling me? How do I become the person that God is calling me to be? How do I live in the freedom offered by God?

Do I even WANT to change? These, and other questions, will shape our time together."

How can you help?

Can you please spread the word in your churches and community? We would like to get a full house for this 2-Day Retreat on Deep Change at Prince of Peace. I've attached a flyer that outlines the retreat.

To sign up simply send me an email... or go to the Prince of Peace website or Building Hope in the City-Cincinnati websites and click on the sign up button on the home page.

HEALTH FOCUS: OCTOBER IS LUNG DISEASE AWARENESS MONTH

FROM DEACONESS SHARON

Genesis 2:7 *“the Lord God formed the man from the dust of the ground and breathed into his nostrils the breath of life, and the man became a living being.”*

When we hear of someone having lung cancer, we usually attribute the case to smoking. I recently read some information published by the Environmental Protection Agency (EPA) that surprise me. There is a dangerous element in our homes that is linked with lung cancer. In fact, the Surgeon General has warned that radon is the second leading cause of lung cancer in the United States today.

What is radon? The EPA report states “Radon is a radioactive gas. It comes from the natural decay of uranium that is found in nearly all soils. It typically moves up through the ground to the air above and into your home through cracks and other holes in the foundation. Your home traps radon inside, where it can build up. Any home may have a radon problem. This means new and old homes, well-sealed and drafty home, and homes with or without basements.” EPA further states that 1 in 15 homes in the United States have elevated levels of radon.

How to find out if your home has elevated radon levels: EPA recommends testing to find out the levels of radon in your home. The Ohio Department of Health (ODH) has been able to develop and implement an extensive indoor radon program serving the residents of Ohio. **Low cost Radon test kits are now available to Ohio resident at www.ohio.radon.com.**

Keep your family safe; test for radon in your house. For further information check out the Ohio website: www.ohio.radon.com

God is good all the time. We often hear about the evils of the internet, and we can certainly use a good thing for not so good purposes. Used in the right way it is a blessing. Via the Internet we can find out about things like radon and ways to protect ourselves from its dangerous consequences.
